

Counters Needed!

We have a shortage of Counters at St. Mark's and are looking for a few good men and women to volunteer their services. The job is pretty easy (accurately count and record offerings), the hours are convenient (about an hour-and-a-half on your scheduled Sunday), and you serve once every six weeks. Plus, the camaraderie is second to none! There are six teams each with three or four members. If interested, please email Worship@stmarks-elca.org for additional information or to offer your services.
