

Food for Others Outreach Mission - St. Mark's has served as a neighborhood distribution site for the Food for Others program for the past 20 years. Each Tuesday evening, teams of volunteers pick up food from the Food for Others warehouse and distribute it to families in need. The time commitment is approximately 1½ hours on a Tuesday evening, once every 4 weeks. If you are interested in volunteering, contact the church office at SocialOutreach@stmarks-elca.org.
