

St. Mark's Assisting Minister/Lector Schedule for English Services

March 24 to May 26, 2024

Thanks for being available to serve at the 9:45 AM in-person/online service on Sundays or the Holy Week morning and evening services. Please arrive at church at least 20 minutes ahead of the service to prepare.

Robes are in the "nook" in the church lounge. Masks are not required to serve communion. Please follow the Altar Guild guidelines for robe handling and care.

The assisting minister will read scripture and certain prayers, including prayers of the people, and assist with communion. Youth acolytes and crucifers are scheduled but you may need to perform some of their duties (light candles, carry the cross, and/or take offering plates to the Pastor at the altar). A pastor will assign tasks for communion helpers. Please follow the most recent Leaders Guidelines, March 2024.
